 5. When it's time for the session, just click the meeting URL.
- ★ You only need to register one time in GoToWebinar for the entire **2018** series. The same link will work for all sessions.
 - ★ The meeting URL will be sent to you in a reminder email 1 day prior and then again 1 hour before each scheduled session. If you don't plan to attend, you can just ignore these reminders.
 - ★ Cancelling your registration will remove you from the entire **2018** series. Simply ignore the reminder emails for any sessions you are unable to attend.
 - ★ Don't share your meeting URL with anyone—it's unique to you.
 - ★ You may notice the following in some of your communications from GoToWebinar: *Attendees are expected to attend all 12 sessions*. Please ignore it. This phrase is automatically added by GoToWebinar and I can't remove it. The Truancy Officer will not show up at your door demanding to know why you didn't attend!
